

AZPROP G SELECT™

New easy-to-use granular formulation for convenient application!

AzProp G Select™ is a granular fungicide formulation designed to control more than 25 turfgrass diseases. With up to 28 days of systemic disease protection, this product is perfect for use by lawn care applicators and other turf management professionals. Labeled for use to control certain diseases on turf in golf courses, lawns and landscape areas around residential, public, commercial and industrial buildings, as well as parks, recreational areas and athletic fields.
